Item 4.01 Changes in Registrant’s Certifying Accountant.

The Audit Committee of the Board of Directors (the “Audit Committee”) of Monolithic Power Systems, Inc. (the “Company”) has completed a process to review the appointment of the Company’s independent registered public accounting firm for the year ending December 31, 2019. As a result of this process, on March 18, 2019, the Audit Committee approved the appointment of Ernst & Young LLP (“EY”) as the Company’s independent registered public accounting firm for the year ending December 31, 2019, and dismissed Deloitte & Touche LLP (“Deloitte”) from that role.

On March 20, 2019, the Company notified Deloitte that it had been dismissed as the Company’s independent registered public accounting firm. Deloitte’s reports on the Company’s consolidated financial statements as of and for the years ended December 31, 2018 and December 31, 2017 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In addition, the audit reports of Deloitte on the effectiveness of internal control over financial reporting as of December 31, 2018 and 2017 did not contain any adverse opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2018 and December 31, 2017, and the subsequent interim period through March 18, 2019, there were (i) no “disagreements” as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreement in their reports, and (ii) no “reportable events” as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has provided Deloitte with a copy of the disclosures it is making in this Current Report on Form 8-K. In addition, the Company requested that Deloitte furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made herein. A copy of Deloitte’s letter dated March 22, 2019 is attached as Exhibit 16.1 hereto.

During the years ended December 31, 2018 and December 31, 2017, and the subsequent interim period through March 18, 2019, neither the Company nor anyone acting on its behalf has consulted with EY with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report nor oral advice was provided to the Company that EY concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue or (ii) any matter that was either the subject of a “disagreement” or “reportable event” as those terms are defined in Item 304(a)(1) of Regulation S-K.

Item 9.01 Financial Statements and Exhibits.
